

## OVERVIEW

Broadcast Matrix for Business dashboards, reports, and content to an unlimited number of monitors/screens on your network, using MxB-TV. An active Matrix for Business (MxB) subscription is required to utilize MxB-TV.

## TARGETED CONTENT

The solution allows subscribers to broadcast different content based on where each screen is located. The system comes with a set of standard content views. However, subscribers can elect to create custom dashboards and reports as well.

## IMPLEMENTATION

Implementation fee includes the following:

- Broadcast to any device that supports an internet browser and is network accessible.
- Able to broadcast to multiple devices.
- Includes up to four (4) different dashboards.

## AFFORDABLE, SECURE, RELIABLE

MxB-TV can reside on either your local network or in the Microsoft Azure datacenter. There is a one-time cost of \$2,500 and a monthly subscription cost of \$275. This includes all implementation, training, and support. Custom content can be created at an additional cost.

# EMPACT IT
