

The screenshot displays the Matrix for Business interface. At the top, there is a navigation bar with tabs for HOME, APPLICATIONS, DASHBOARD, ANALYSIS, DATA, REPORTS, EXPLORE, and ADMIN. Below this is a date range selector (06/16/2021 to 06/23/2021) and a REFRESH button. The main content area shows a data table for 'Invoices' with columns for Project ID, Invoice #, # Lines, AR Type, Orig Qty #, Cust PO, Order #, Order Title, Hdr ID, Ord Entered, Invoiced, Total List, Total Sell, Sales Tax, Total Invoiced Amt + Tax, and Deposit Applied. A summary row for project 3974 shows totals: \$2,662,737.20, \$2,780,256.65, \$190,511.31, \$2,970,767.96, and \$-887,574.61. An inset window shows a 'Sales People Chart' for the period 05/21/2017 to 06/20/2017, with a Y-axis for 'Total Sell / GP \$' ranging from \$0.00 to \$1.14M. Another inset window shows the 'Admin Console: Roles Administration' table, which lists roles and their descriptions.

Role Name	Role Description
Administrator	Modify application settings (Roles, View, User Management)
Build	Access to Build functionality
Email	Access to Email Subscriptions
Executive Roll	Executive Managers
Explore	Access to Explore functionality
Print	Allows printing and exporting data

OVERVIEW

The Matrix for Business (MxB) solution delivers ease of access to business data and information, creating a platform for improved strategic decision-making capabilities. Subscribers can reduce time-consuming and costly data gathering and reporting tasks with fast business intelligence software that can turn hours of work into an easy request that takes only minutes.

COMPONENTS

MxB has three main components – Dashboards, Analysis, and Data – that can be integrated with any data source. MxB has been in commercial release for many years and is utilized by over a hundred companies.

BENEFITS

MxB provides unlimited access to Hedberg data and includes:

- 90 views, reports, and dashboards.
- Over 320 custom views and reports have been created.
- Easily manage your profitability and forecasting.
- Favorited reports.
- Automated email push of reports and views.
- Clean, useable Excel format on exports.
- Reports are from a collaboration with 40 Steelcase dealers.

EMPACT IT
Experience matters.

WHY EIT?

Empact IT has worked with both dealers and manufacturers in the contract furniture industry for years. EIT provides software development, targeted solutions, reporting, and customization of complex system integrations.
