

CONCISE

Sales staff shouldn't spend time wrestling with a complicated system. Managing and tracking accounts, leads, and opportunities in MxC is fast and easy!

INTEGRATED

From initial implementation, MxC is fully integrated with your business system. The solution delivers sales history around accounts and projects. MxC can sync clients and contacts with your business system. The solution can even link opportunities to project folders. MxC can also sync contacts and events with your Outlook calendar.

END TO END REPORTING

End-to-end transaction reporting – from initial estimate to project execution to invoice to collections – all can be viewed in the solution.

MOBILE FIRST

MxC is available where and when you need. Sales staff can enter leads and opportunities as they arise, without having to wait to return to the office.

AFFORDABLE, SECURE, RELIABLE

Compared with other open market systems, MxC is very affordable. Hosted in secure world class Microsoft Azure datacenters, there is little to no IT support necessary.

Experience matters.

WHY EIT?

Empact IT has worked with both dealers and manufacturers in the contract furniture industry for years. EIT provides software development, targeted solutions, reporting, and customization of complex system integrations.

Pricing: A \$595/month MxC subscription will be required. New MxC customers will be charged a onetime implementation fee of \$6,000.
