OVERVIEW

Matrix for Resources (MxR) is a job and resource scheduling solution developed with contract furniture dealers in mind. The result of building multiple schedulers for the industry, MxR is customized to fit the way your organization wants to schedule.

INTEGRATION

MxR integrates with Hedberg Scheduler. Dealers soft schedule in Hedberg and then switch over to MxR to manage routes and resources. It's easy to create new routes or edit existing ones with MxR. Once a route has been setup, assign employees, trucks and orders. As you go, the Resources will update in Hedberg.

BENEFITS

Simplify the Planning process with these features:

- Replace spreadsheets and manual scheduling procedures.
- Soft schedule in Hedberg; manage routes and assign resources in MxR.
- Customized to your scheduling processes.
- Calendar view reporting to assist with planning.
- Hedberg Mobile compatible.
- Manage users and holidays directly from MxR.
- Integration with Matrix for Time.

EMPACT IT
Experience matters.
WHY EIT?

Empact IT has worked with both dealers and manufacturers in the contract furniture industry for years. EIT provides software development, targeted solutions, reporting, and customization of complex system integrations.

Pricing: A \$595/month MxR subscription will be required. New MxR customers will be charged a onetime implementation fee of \$6,000.
