

The screenshot shows the Matrix for Time user interface. At the top, there's a navigation bar with icons for Home, Time Entry, Expenses, Manage, Billing, Projects, and Reports. Below this, the current date is 28 August 2018, and the user is identified as Shawn Pinto. A 'New Time Entry' button is prominent. The main area displays project information for '014VA1(A) - Ventana 6x6 typical' with a '0% Hours Used' indicator. There are also sections for 'Installation Drawings' and a '+ Add Time Entry' button.

## OVERVIEW

The Matrix for Time (MxT) solution is developed with busy designers and project managers in mind. It is particularly valuable when keeping accurate time entry – for either billing or job costing – is a requirement.

Time Entry is simple and quick. Administrators can easily review and manage time entries while creating accurate invoices.

## INTEGRATION

MxT works seamlessly with Hedberg Projects so that data can be managed in Hedberg, MxT, or both!

## FEATURES

Features include:

- Time Entry by Employee, Project, Role, Activity (Mobile daily time entry)
- Expense Report tracking.
- Bill through Hedberg (One Step, Order lines/Misc. charges or new quote)
- Favorited reports.
- Versatile Reporting
- Alerts
- Payroll Export
- Workload Capacity Management for historical and future predictions.

# EMPACT IT

*Experience matters.*

## WHY EIT?

Empact IT has worked with both dealers and manufacturers in the contract furniture industry for years. EIT provides software development, targeted solutions, reporting, and customization of complex system integrations.

**Pricing:** A \$595/month MxT subscription will be required. New MxT customers will be charged a one time implementation fee of \$6,000.
